

Dear Choir Parent,

This year, the 6th Grade Choir students and 5th Grade aspiring singers/choir students have the incredible opportunity to perform at the Chicago Wolves game on **Sunday, March 11th** with fellow choirs from Illinois. This performance will occur prior to the game and all YIS students participating will receive a complimentary ticket to the game. Students who participate will be required to come to 4 rehearsals during their lunch recess time on specific days. This is not a required event, just a fun day to enjoy music and hockey!

Students must arrive by 2 pm, the performance begins at 2:45pm and the game starts at 3pm. **Parent(s) or a designated adult must remain for the duration of the game and will be seated near the Choir. Transportation to and from this event is not provided by the school. All participants must provide their own transportation.**

Discounted tickets are available to the families of each student at a cost of \$17.50 per ticket.

At this time, I need to know whether or not your child will be participating in this opportunity and if you would like to purchase any additional tickets for a parent/guardian. I am required to submit the ticket orders on February 9th to the Chicago Wolves.

Please read, fill out, and return the form below to Mr. Martinez no later than **Friday, February 9** only if your child is going to participate.

My child _____ (first, last) has my permission to perform at the Chicago Wolves game on **Sunday, March 11th 2018**. I understand that transportation is NOT provided by the school and it is my responsibility to remain at the game and to provide transportation to and from the game.
